1. Private Drivers Referral

Refer a new private driver and you'll each receive €15/15 kr in credit valid for your next Getaround rental!

1.1. Participation conditions

To be eligible for the Private Drivers Referral, on the date of the referral,

- the Sponsor must be a natural person who already has an Account as a Renter on the Platform and has completed at least one Rental (i.e. not cancelled by the Owner, the Driver or Getaround) within the 12 months preceding the referral.
- the Referred must be a natural person who hasn't an Account on the Platform, meets the eligible conditions to be registered as a Driver on the Platform and is not living in the same household as the Sponsor (i.e. not having the same name or address).

1.2. How does it work?

The Private Drivers Referral works as follows:

- The Sponsor shall log-in on the Platform, access the section entitled "Get credit" through the menu of their Account, and click on "Invite friends" to generate a referral link (the "Referral Link").
- The Sponsor shall share the Referral Link with their contact willing to become a Driver on the Platform;
- The Referred shall click on the Referral Link enabling the creation of an Account.

1.3. Rewards

If the Referred's Account complies with the Terms, it will be credited with €15 / kr 150.

Once the Referred has made their first Rental (i.e. it has not been canceled by the Owner, the Referred or Getaround), and provided that all the conditions of the Referral Terms are met, the Sponsor Account will be credited with €15/kr 150.

The sums credited to the Accounts of the Sponsor and the Referred are personal and are neither refundable, nor exchangeable for cash, nor transferable to another User, nor convertible from one currency to another (i.e. credits in euro can only be used for Rentals in eurozone countries).

They are valid for 12 months from the date of issue and can't be used to pay for any option after Booking, for any outstanding debt, penalties, costs, generated by any incident or any other potential charges (non-exhaustive list).

The Sponsor and the Referred will always have to pay €1/1 kr for their Rental for insurance purposes, even if the credit amount is above the Rental value.

1.4. Restrictions

The Sponsor is allowed to refer up to two Drivers per sliding month.

The Referral Link must not be published or distributed through public means (such as coupon websites, Reddit, or Wikipedia) where there is no reasonable basis for believing that all or most of the recipients are personal friends or family Users. In this respect, Getaround reserves the right to ask the Sponsor and/or the Referred to prove how the Referral Link was transmitted/received in order to verify that the Sponsor and the Referred comply with the Referral Terms.

2. Getaround Connect Owners Referral

*Refer new Getaround Connect Owners in France
and you will each receive 2 months of Getaround Connect subscription*

2.1. Participation conditions

As part of the Getaround Connect Owner Referral, on the referral date:

- The Sponsor must have an Account as an Owner and have at least one Car equipped with an active Getaround Connect Device on the Platform (i.e. the Car must have been accepted on the Platform, be available for rental in France and be equipped with the Getaround Connect Device), reside in France (i.e. the home address registered on their Account must be located in France), not be a member of the Getaround Entrepreneurs Program and never have been subject to a restriction;
- The Referred must want to list a Car for rental through the Getaround Connect Service on the Platform in France and must not be a member of the Getaround Entrepreneurs Program, nor have an Account as an Owner (i.e. have never listed a Car on the Platform) and must never have been subject to a restriction.

2.2. How It Works

The Getaround Connect Owner Referral works as follows:

- The Sponsor will receive a link to a form and a unique code. If the Sponsor has not received them, they can request them directly [here](#);
- The Sponsor must share the link to the form and their unique code with someone they know who wants to list a Car for rental through the Getaround Connect Service on Getaround;
- The Referred must complete the form with the unique code received from the Sponsor and list a Car.

2.3. Rewards

As part of the Getaround Connect Owner Referral, the Car listed by the Referred must meet the following conditions:

- be eligible for the Getaround Connect Service;
- not have already been listed by the Referred on the Platform;
- have been listed after the form was completed with the unique code (any Car listed beforehand will not be taken into account);
- have the Getaround Connect Service activated within two months from completion of the form.

If all conditions are met, the Referred and the Sponsor will each benefit from two free months of the Getaround Connect subscription, for a total value of €50.

The reward will apply from the first full billing month following activation of the Getaround Connect Service.

For example, if the Getaround Connect Service is activated for the Referred's Car on June 14, 2026, the Getaround Connect subscription fee for the month of June will be calculated on a pro rata basis for the remaining days, and the benefit will apply for the months of July and August for both the Sponsor and the Referred.

The choice of the car(s) that will benefit from the advantage shall be made at Getaround's discretion.

If the Referrer is eligible for several advantages as a result of multiple successful referrals, the advantage will be applied:

- to several of their Cars, if they have several Cars equipped with the Getaround Connect Device that are active on the Platform;

For example, the Referrer has three Cars active on the Platform and the Getaround Connect Service was activated for the Car of one of their Referees on June 14, 2026 and for another Referee on June 24. The advantage will be applied for the months of July and August to two of the Referrer's three Cars listed on the Platform.

- successively to the single active Car, if they only have one Car equipped with the Getaround Connect Device that is active on the Platform.

For example, the Referrer has one Car active on the Platform and the Getaround Connect Service was activated for the Car of one of their Referees on June 14, 2026 and for another Referee on June 24. The advantage will be applied for the months of July, August, September and October.

This reward is personal, non-refundable and cannot be exchanged for cash. Once applied to a Car, it cannot be transferred to another Car belonging to the Sponsor and/or the Referred. Therefore, if the Car that benefited from the reward is no longer available for rental on the Platform, the reward cannot be transferred to another active Car belonging to the Sponsor and/or the Referred, and the Sponsor and/or the Referred may not claim any compensation in this respect.

2.4. Restrictions

The Sponsor is allowed to refer up to 3 Owners per rolling month and the same Referred may benefit from the Getaround Connect Owner Referral only once.

The Getaround Connect Owner Referral cannot be combined with other referral and/or promotional offers proposed by Getaround.

The Getaround Connect Owner Referral is limited to 100 Referred Owners. Once this limit has been reached, Getaround may, at its sole discretion, decide to continue the Getaround Connect Owner Referral under the same conditions or under different conditions, or to

terminate it, without this giving rise to any right to compensation for the Sponsor and/or the Referred.

Any change of address made solely for the purpose of benefiting from the Getaround Connect Owner Referral is strictly prohibited, results in exclusion from participation in said referral and may lead to the exclusion of the concerned User from the Platform.

The link to the form and the unique code must not be published or distributed on public platforms (such as coupon websites, Reddit or Wikipedia) where there is no reasonable basis to believe that all or most recipients are people known to the Sponsor. In this respect, Getaround reserves the right to request that the Sponsor and/or the Referred provide proof of how this link and code were sent/received in order to verify that the Sponsor and the Referred comply with the Referral Terms.
